

We will provide a safe, secure, colourful and creative learning environment.

At Cann Bridge School we are proud of our school and we are committed to the development of each individual.

We will provide opportunities for everyone to develop a healthy lifestyle.

We see every activity as an opportunity for communication and learning, and strive to maximise and celebrate the achievements of all.

We encourage respect and acknowledge diversity in ourselves and others.

We will equip pupils with the skills and voice necessary to take their role in society

We appreciate the contribution of every member of our community and strive to create a safe but challenging learning environment promoting the independence of every learner.

We will develop each pupil's individual potential allowing them to contribute fully to the life of the school

We will delivery a challenging and varied curriculum within a happy, caring and purposeful atmosphere.
