

New Summer Menu 2016

Please find enclosed sufficient copies of Ed's New Summer Menu for every pupil in your school to take home before the Easter break.

We've taken the figures from the most recent census figures available to us so if you need more please ask. The menu begins on Monday 11 April and runs through to Friday 21 October 2016.

A PDF version will also be sent to you so that your school website can be updated. The CATER^{ed} website will "go live" with the new menu immediately before term starts.

We've included some traditional favourites and some fantastic new items which have been trialled with groups of pupils in the city and have proved very popular. These include Pulled Pork in a Bun and even Pumpkin Risotto as a vegetarian choice (yes – it tastes great!) and, new for this summer, freshly made yoghurt. You'll also see that we have a number of theme days and events planned.

We've had a fantastic first year as CATER^{ed} and we'd like to thank you for your continued support – it is of course essential that we maximise meal take-up and ensure that as many pupils take-up their UIFSM and also that those pupils entitled to benefit based FSM and Paid Meals take-up the offer.

We are encouraging all CATER^{ed} staff to work much more closely with your school and staff and in particular meal time assistants to further improve the lunchtime experience and we would ask for your support and that of your staff with the new menu.

CATER^{ed} is a company jointly owned by schools across the City and Plymouth City Council serving great tasting, freshly prepared food to children and young people every day.

MENU LAUNCH DAY WITH RADIO PLYMOUTH AND ED

We're holding a **Menu Launch Day with Radio Plymouth on Friday 08 April** between 11:00 and 2:00 at the **Place de Brest in the City Centre** when we'll be handing out menus and providing some tasters from the menu.

If you have any questions please contact your dedicated account manager or email me direct at brad.pearce@catered.org.uk.

Thank you again for your support from everyone at CATER^{ed}.
