**Decision for Tor Bridge Federation to Defederate**

To all Stakeholders

Following the notification circulated advising all stakeholders of the decision to trigger the consultation of the Tor Bridge Federation Governing Board defederating, the consultation period came to an end yesterday at 3pm, Wednesday 28<sup>th</sup> June.

As no official comments were received for or against the defederation's notice, the Governors elected to bring the date of the meeting to consider comments, forward to the evening of Wednesday 28<sup>th</sup> June.

We would like to announce that Governors have agreed to proceed with the defederation of the Tor Bridge Federation Governing Board. The effective date of this will be Wednesday 19<sup>th</sup> July 2017. I have been appointed the 'Dedicated Point of Contact' and will retain the chairs delegated powers for the interim period from midnight on the 18<sup>th</sup> July until the Inaugural meeting takes place.

Cann Bridge School Governing Board and Tor Bridge Primary Governing Board will hold Inaugural Full Governing Board meetings on Thursday 20<sup>th</sup> July, ensuring an effective working Governing Board is in place before the commencement of the Summer holidays.

Members of the newly appointed Governing Boards will be announced after the Inaugural meeting on the 20<sup>th</sup> July. Work will take place over the Summer holidays to bring school websites and required documentation in line with the new structures, in preparation for the start of the academic year.

Yours sincerely
