

Carol Singing

People sing at Christmas time to

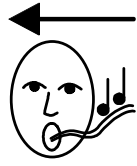

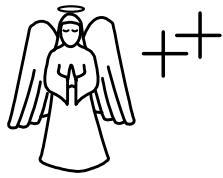

remember the angels that sang to

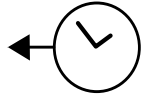

the shepherds in Bethlehem.

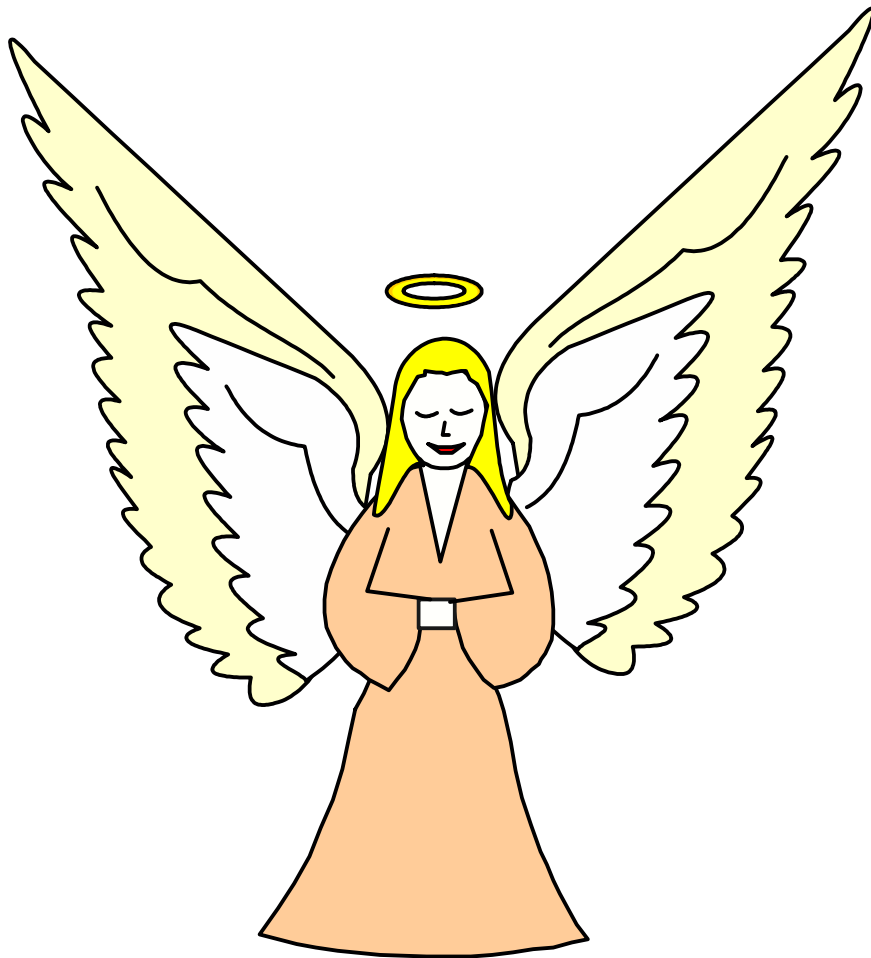

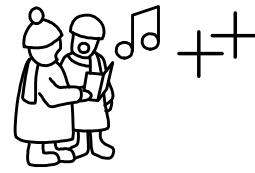

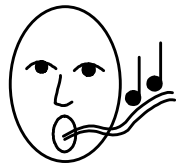

The angels sang to say that

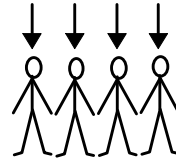

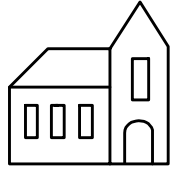

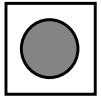

Jesus had been born.

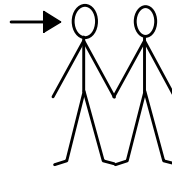

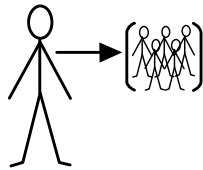

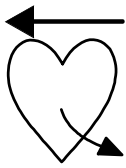

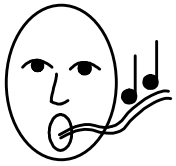

Bishops would sing the carols

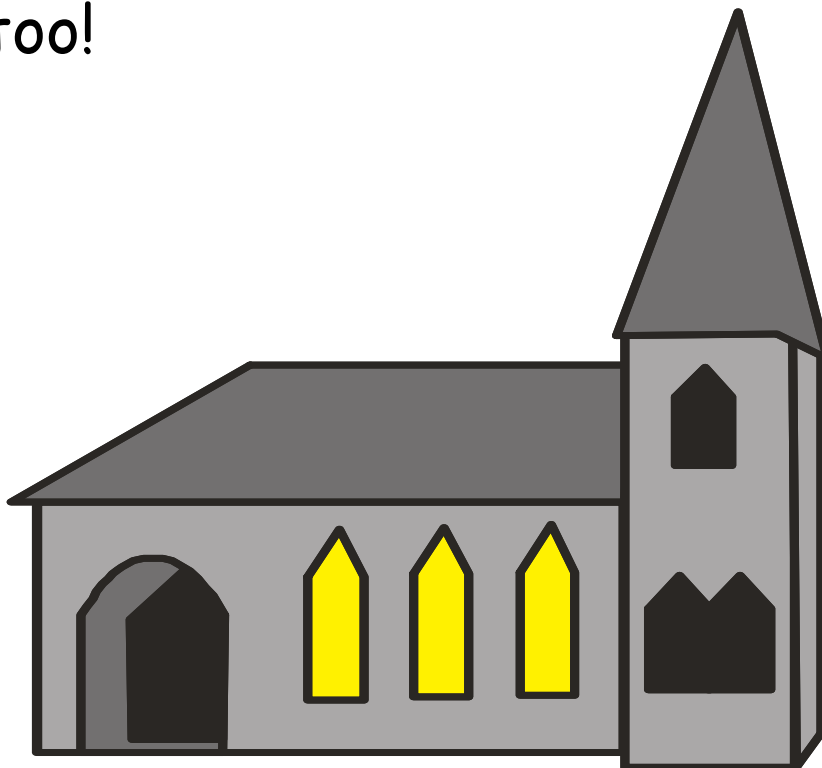

in church. But then everyone

wanted to join in. They wanted to

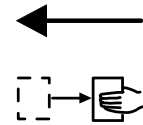

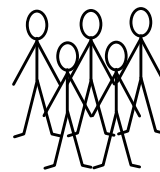

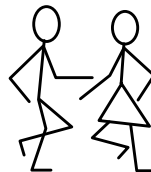

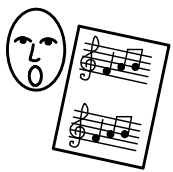

sing too!

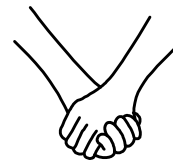

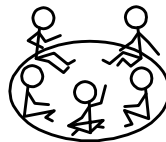

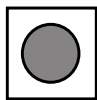

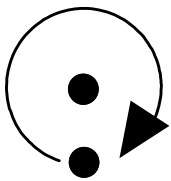

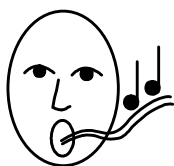

After that a carol became a

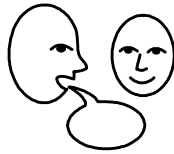

song and a dance. People moved

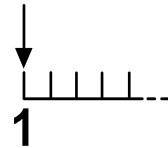

around in a circle holding hands

and singing.

Carol singers tell the story of

baby Jesus and the very First

Christmas .
